MAFFI Newsletter Minute

Recently trustee Rob Mills compiled the following list of original parts that are needed for our displayed vehicles as we strive to improve our museum exhibits.

- Two restored 1931 gas caps
- One restored 1931 radiator cap
- Three restored 1928-29 gas caps
- Five sets of license plate clips
- Two sets of single-bulb headlight reflectors (original silver plating in very good condition)
- Two sets of two-bulb headlight reflectors (original silver plating in very good condition)

If you have one of the above items and would like to donate it to the museum, please contact Rob Mills at rmills@cass.net or 517.902.5852 (after 2:00 p.m. EST)

In addition to the original items listed above, we also need eleven (11) new tubes with metal valve stems for the 1929 Roadster Pickup and 1929 Town Sedan which are currently on display. These items were recently price checked at \$49.95 per tube with metal valve stem and \$19.92 for each long dust cover which totals to \$69.90 per tire (let's just call it \$75/wheel with tax and shipping). Perhaps it would interest an individual or a club to donate the money to purchase one tube or a whole set? If you would like to support the museum in this manner, please note it on the memo line of your check and mail to the Model A Ford Foundation, Inc., P O Box 95151, Nonantum, MA 02495. As always, we thank you for your continued support of your Model A Ford Museum at the Gilmore.

Cap design for consideration at the May meeting. If members have shirts they would like the logo embroidered on, the cost is \$15 each for less than 6 or \$13 each for more than 6. Taylor is our sales person at ArtFx.
