Jim Cook moved the meeting be adjourned, Ray Hogrefe seconded and the motion carried.

HAPPY

MAFFI Newsletter Minute

The Model A hobby is full of good folks who obviously desire to support the Model A Museum. Last month we published a list of items that were needed for upgrading some of the vehicles in the museum's collection and many of you responded-*generously*. I would like to thank each individual and those clubs who responded to our specific request for tires, metal stemmed tubes and metal valve covers which will all be installed by Model A Day in September.

I would also like to remind folks that I will be ordering bricks by the second week in June, so if you are thinking about getting a loved one a 'memorial, or 'in honor' brick this year, please do so immediately. You can find order forms in the "A Preserver" or online at www.maffi.org. Thank you all so much for your support of the Model A Museum and the Model A Ford Foundation, Inc. I do hope you have renewed your dues which totally support the museum and the Foundation.

Have a wonderful 'driving' summer.

Loukie Smith
