DEEPEST SYMPATHY

To Mirela and all of Rons Family. Ron died unexpectedly at home in Leigh. He was a lifelong member of the Model A Ford Club of America and earlier this year rejoined our club. He was an owner of Antique Auto Supply in the early 1970's and was a restorer and collector of Model A's. He loved old cars, antiques and all things 1950's. Funeral services were on April 26th in Leigh. A Celebration of Life was held on May 21st.

JUNE MAFFI Newsletter Minute

Planning for MAFFI **Model A Days 2023** is nearing completion. Of course, there will be a swap meet, seminars, memorabilia sales, rides, Model A driving classes, and a dinner tour. Hotel rooms have been blocked for our guests. It will be a mix of the old and proven with a few new twists. **September 15 & 16** are the days. Visit the MAFFI or Gilmore web pages, register and make your reservations.

For those who have attended before, Model A Days at Hickory Corners is a wonderful ending to the summer season and beginning of the fall season. It is a chance to see and touch some wonderful old cars, to see what has been changed or added to the museum. There are few places like the Gilmore complex. You can sit in the shade of a maple tree and eat a sandwich and ice cream purchased from a diner converted from an old-time streetcar. While doing this you can talk with friends and look at the vintage cars.

“Huff & Puff”, the Model AA school bus, will be giving rides. The theme this year will be open cars, so look for a phaeton or roadster to be giving rides around the campus. Finally, the AA stake bed truck should be moving the remainder of the passengers around the streets.

This is a great chance to visit with a large group of fellow Model A’ers, one last time before the seasons force us to choose to move most of our activities indoors.

If you are one of the many Model A Club members who will not be able to attend our event, remember September 16, is a Saturday. Use the day to have your own local Model A Day celebration with a tour, or picnic, or both, with your club. A joint tour with a neighboring club might be exciting.

Happy motoring,
Mike DuBreuil
MAFFI Board of Trustees, Secretary
