OCTOBERFEST AT THE MANSKE'S

The Cornhusker Model A Club has been invited to Octoberfest at Glen & Margaret Manske's Holdrege Street location. Some of our members have attended in the past. There will be trailer rides, a small farmers market and pot luck meal. I'm told that in the past, members have given rides in their 'A's. Since the time for event is from 2-6 pm on the same day as our October meeting, we will having the meeting at 1 pm, **before** the start of Octoberfest at 12400 Holdredrge St. (the site of the event.) The pot luck will start at 5 pm. Members may bring a side dish if wish. For questions, please call Glen, 402-486-2338 or 970-420-4388.

(The decision to move the meeting ahead of the event was a safety issue. If we kept the meeting at 7 pm, we would have been driving our 'A's after dark on Lincoln streets.)

OCTOBER MAFFI Newsletter Minute

Model A Days (Sept 15 & 16, 2023) were a resounding success! The weather was perfect –70 degrees—so all those open Model A cars that came to show themselves off for the theme this year had no trouble with the weather at the museum. In fact, the grounds were full of all types of Model A's driven onto the Gilmore grounds by hobbyists!

The “first start” Model A Coupe took just 43 minutes to start up after being abandoned more than 30 years and being in a flood up to the windshield. This year there were TWO first starts; the second was a truck (AA) and that only took a tad over 10 minutes to start up. There’s no shortage of cracker jack mechanics at Model A Days.

The Model A school bus and Stake Bed truck were kept busy carrying passengers around the 90-acre grounds and riders had great fun smiling and waving. For the second year in a row, the Model A Driving school graduated a new batch of Model A drivers, so we can keep those inner tube tires rolling!

And there were lots of new Model A Ford Foundation Inc. red t-shirts and navy hoodies being worn by our loyal museum supporters. If you were there, you would know how much fun was had. If you didn’t make it, pencil in your calendar for next year, September 20 & 21, 2024!

Happy Motoring,

Mike Debreuil,

MAFFI Board of Trustees, Secretary

MAFCA ANNOUNCES 50 YEAR AWARD PROGRAM

Each year one of the privileges for the Chapter Coordinator for MAFCA is to recognize those chapters who have achieved certain milestones in their history for their years of continuous operation. This is done by awarding a certificate of achievement designating that milestone. These are then delivered to each chapter to display. We are proud to announce a new program to enhance this.

This year by unanimous vote the MAFCA Board of Directors and in an agreement with MAFFI and the Model "A" Ford Museum we approved to begin recognizing those chapters who have achieved the high honor of 50 years of continuous membership in the Model "A" Ford Club of America in a special way. For those chapters an inscribed brick will be placed on behalf of MAFCA at the Model "A" Museum by the Model "A" Ford Foundation or MAFFI. This permanent enshrinement of this accomplishment will be on display 365 days a year to celebrate this high honor.

We cannot however just begin this recognition in 2023. We must also look back to past award recipients as well as look at our current winners. To do so 94 bricks will be ordered this year that will include all prior 50 year Chapter Longevity Award winners. This begins with our first chapter, the Bakersfield, California Club, as well as including the 2023 and 2024 winners which will be placed in time for the 2024 Model "A" Days celebration. Each year after a brick will be placed in honor of those 50 year chapters reaching this milestone. Those recognized in this sidewalk of 50 year Chapter Longevity Winners is meant to demonstrate their special place in MAFCA's history and their significance in the success of MAFCA.

It is our hope that with this permanent recognition and placement of these bricks, those MAFCA members and others who visit the museum, will feel the same sense of pride and accomplishment in these recipient's as the Model A Ford Club of America does.
